

QUANTICO CHAPTER MEMBER SURVEY

A new year brings with it an opportunity to review past activities and establish new priorities. The ISC2 Quantico Chapter hosted 11 meetings during the 2019/2020 year. We are planning to keep the momentum going into 2021 but need your help to do so.

We are eager to hear your views on chapter events of 2020 and the key challenges you see ahead in 2021. Our brief chapter survey below covers:

- your profile information to refresh our membership information;
- other memberships you maintain or groups you attend in the DC to Richmond, Virginia area.
- certifications you already hold or plan to study for in the next 12 months;
- your use of information security frameworks;
- your views on the biggest threats and challenges ahead.

If you have any questions or feedback on the survey please email us at secretary@isc2quanticochapter.org or get in touch with one of the chapter officers directly via <https://www.isc2quanticochapter.org>

MEMBER INFO

1. Your name:

2. Role / Job title:

3. Have you paid your 2020-chapter dues? YES NO I DON'T KNOW

4. Are you a member of the (ISC)² community? YES NO I DON'T KNOW
